

Good Health... Dont forget to take it with you!

Exciting destinations, exotic foods, engaging customs. . .

International travel to China, whether for personal or business reasons, can be challenging if you are not well prepared. Disease, illness, crime, and injury happen unexpectedly to even the most experienced traveler.

Be well informed before your trip to China. Passport Health's Travel Medicine Specialists will:

- Assess your health history and individual needs based on your itinerary
- Provide you with the latest information on health risks, required & recommended vaccines, safety and security precautions, and medical evacuation
- Discuss precautionary measures for dietary and recreational activities
- Administer and prescribe immunizations and medications

Passport Health has identified the following risks in Beijing, Suzhou, and Shanghai:

Japanese Encephalitis, Typhoid Fever, Rabies, Hepatitis A & B, Swine(H1N1) Flu, Avian Flu

You should also be updated on your routine immunizations: Tetanus/Diphtheria/Pertussis & Measles/Mumps/Rubella

As proud Members of the Beachwood Chamber of Commerce, **Passport Health of Northern Ohio** would like to extend a special offer: **Free** flu prevention package to fellow chamber members and **15% off** any Specialty Travel Product for members and their guests.
